Doc. No. 34329A01

40 mm longer high pressure hose

Announcement

STOCKHOLM 2016

40 mm longer high pressure hose.

Applies to

QS II, Spiromatic 90U and Spiromatic 90USA

Description

As part of our ongoing work to improve all aspects of our products – and as a result of feedback from users – we have decided to extend the length of the high pressure hose with 40 mm.

This slightly longer high-pressure hose will make it easier for SCBA users to read the pressure gauge. (For QS II-R type SCBAs, a new longer medium pressure hose will also be available.)

QS II, Spiromatic 90U and Spiromatic 90USA:

New high pressure (HP) hose spare part number is 96529-53

QS II-R:

New high pressure (HP) hose spare part number is 96529-52

New medium pressure (MP) hose spare part number is 96403-53
