INTERSPIRO

The PAC™ unit

Keeps you safe and sound!

Our PAC (Personal Alarm Control unit) excels at everything you've come to expect in regards to safety and is easily upgraded to most of our SCBA's out there. With features like buddy reading, PASS alarm and distress signals, safety comes first. Bluetooth connection ensures connection with Inmode and the possibility to change the settings and downloading log files. It goes hand in hand with our unique concept of Easy Clean-products and can easily and safely be machine washed.
